Autumn Budget 2017 Special

The day after Philip Hammond delivers his Autumn Budget to Parliament we are holding a special North West Finance Director network event.

The event will include a corporate and personal tax summary of the 2017 Autumn Budget and its implications on you and your business with expert analysis from MHA Moore and Smalley.

MHA Moore and Smalley's tax partner Tony Medcalf will review and summarise the Chancellor's announcements and will provide an analysis of what the Budget means for businesses and business owners in the region.

With the GDPR deadline approaching we will also be welcoming Andrew Stelakis from Q2Q to share with us his thoughts on what GDPR means for finance directors and employers.
