### Autumn Budget Special

The day after Philip Hammond delivers his Autumn Budget to Parliament we are holding a special North West Finance Director Network event.

The event will include a corporate and personal tax summary of the 2018 Autumn Budget and its implications on you and your business with expert analysis from MHA Moore and Smalley.

MHA Moore and Smalley's tax team will review and summarise the Chancellor's announcements and provide an analysis of what the Budget means for businesses and Finance Directors in the region.

We will also be welcoming Miralis Data who will demonstrate some techniques and case studies showing how data analysis can drive improvements in your business.

The group discussion workshops will also be returning to provide you with the opportunity to discuss topical subjects with other accountancy professionals.
