**“Budget 2020 Analysis”**

The day after Sajid Javid delivers his Budget to Parliament we are holding a special North West Finance Director Network event.

The event will include a corporate and personal tax summary of the 2020 Budget and its implications on you and your business with expert analysis from MHA Moore and Smalley.

MHA Moore and Smalley’s tax team will review and summarise the Chancellor’s announcements and provide an analysis of what the Budget means for businesses and Finance Directors in the region.

We will also be welcoming Stacey Turner, Managing Partner at CG Professional who will present an update and overview on Employment Law.

The group discussion workshops will also be returning to provide you with the opportunity to discuss topical subjects with other finance professionals.
