### What the Event Will Cover:

During the course of the event our presenters will look at ways businesses can adapt and thrive as we emerge from the COVID-19 global pandemic.

Sophie Wheeler-Taherne, Assistant Vice-President, Government Relations at Barclays will open the event with a UK Political update. Sophie has spent her career working in politics. Most recently she worked for the Secretary of State for Wales as his Special Adviser, working on policy, communications, legislation and political engagement.

Andrew Feeke, Corporate Finance Partner at MHA Moore and Smalley will then discuss how businesses valuations will differ in the post pandemic landscape.

Thirdly the presentations will turn towards a focus on the workforce. Emma Swan, Partner and Head of Commercial Employment at Forbes Solicitors will provide an employment law update. Emma works with clients of a variety of sizes in contentious and non-contentious matters, and is a Legal 500 recommended lawyer.

Finally, we will end with a Q&A session where attendees will have an opportunity to direct their questions to our panel.
